In response to high demand from schools requesting help and advice in gaining the full benefit from the powerful data contained within *PASS* survey reports, GL Performance's Professional Development Services team is delighted to invite you and colleagues from your senior leadership team to a *PASS* Interpretation & Analysis Workshop.

Designed for groups of up to 20 delegates, the workshop provides a guided analysis of *PASS* data, with opportunities to reflect as well as discuss approaches with colleagues from other schools. Led by an experienced facilitator with Senior Leadership experience, a typical workshop will focus on:

- Understanding *PASS* assessment and interpreting the 9 factors at strategic and operational levels
- Sharing and using *PASS* information to inform collaborative problem solving with students, teachers, multi-agency teams and parents
- Using *PASS* to set smarter monitoring and tracking targets:
 - to improve student well-being, behaviour and attendance
 - provide effective personalised learning for students working at all levels of ability
 - to reduce disaffection
- Using *PASS* to identify successful strategies for your school context.

To book your place on one of our workshops, please complete and return the enclosed booking form or contact us on:
